Dear Mr. Willi,

I am interested in purchasing a lot that the county owns in Cudjoe Gardens. The lot is in BK 23 LT3 Cudjoe Gardens Eighth Addition PB7-16. It is located across the street from the Sheriff's Substation. There are 2 empty lots but we are interested in the lot adjacent to our property.

I would like to put an addition on for a garage and would need this lot to meet the set backs and to do an nice job.

Please consider this request and notify me of your decision. Thank you

Sincerely

Ronald C Stetts
